Do you think others in HQ will need to see?

Got it, Tito, please assign someone to review and to get back to you and me. Thanks.

Dana: please see attached draft CIP for Dimock = as you know we need to get a CIP in the record 120 days after start of removal action - that date is 5/19.... We're still reviewing in region, but wanted to get to you to ask you to provide to whomever in HQ you think needs to review.

Shawn will likely raise on tomorrow's call. I'll try to call you re: this, but in the meantime, please let me know if you have any questions.

Ron
